24-Hour AI Game Jam Overview

Description

A 24-hour on-campus game jam co-hosted by Unnatural Intelligence and the SAIT Game Development Club (Video Game Design Club). One secret theme at kickoff; teams of 2–5 ship a playable prototype. A shared Layer workspace gives 30–100 people game-dev AI (art, 3D, audio, assisted implementation) without buying a seat each. Game Dev Club covers engines and scope; UI covers the AI pipeline and the human finish. Not a sleepover: jammers may leave overnight. Anyone who stays is working in a booked room, listed with Campus Security, with a named organizer on site. No alcohol. Meals only through Curated Catering powered by Hotel Arts, via the SECC.

Time and Date

Saturday 14 November 2026, 10:00 AM → Sunday 15 November 2026, 10:00 AM. Pending SECC room confirmation and the 5 October 2026 grant intake (confirm 2026/27 disbursement dates with SECC).

Proposed Location

Indoor computer-friendly classroom or lab cluster with projector, power, and Wi-Fi (Stan Grad / Heritage Hall). Weekend booking by SECC only. Overflow room if RSVPs exceed ~40. After-hours access with Campus Security.

Expected Attendance

$500 / $1,000: 24 catered, ~30 RSVP. $2,000 / $3,500: 30 catered, ~40 RSVP. $5,000: 40 catered, AI workspace for 100. Open to all SAIT students; no prior game-dev or AI experience. PEO: VP, Unnatural Intelligence (Pierre Tchio), with a Game Development Club exec as overnight deputy.

Agenda

24 hours. Times may shift ±30 minutes with SECC access.

Duration	Segment
45 min	Doors, check-in, attendance, power map, member sign-ups (both clubs)
30 min	Welcome, rules, secret theme, team formation
45 min	AI + engine onboarding: Layer credits, Godot/Unity/web, human-finish rule
10.5 h	Build block 1 (Saturday). Mentors float. Snack/lunch drop (budget-dependent)
45 min	Mid-jam check-in: scope cuts, playtest buddy swap, credit check
8 h	Build block 2 + quiet hours 01:00–06:00. Midnight snack. Leave-and-return OK
45 min	Breakfast drop (budget-dependent) and final polish call
90 min	Submissions freeze, playtests, skill-based showcase (not a raffle)
30 min	Wrap, photos, teardown, room reset

Objectives

Tie at least one objective to a club foundation.

1. Ship a playable prototype in 24 hours — every team leaves with a build or a recorded playthrough, even if the scope is tiny.

2. Hands-on AI in production: a shared game-dev AI workspace for 30–100 people (not one seat each), with a team credit budget.

3. Cross-club recruitment — Unnatural Intelligence and the Game Development Club both run sign-ups; beginners pair with people who have shipped.

4. Foundations in public: untapped (AI for games), workflow (a real jam pipeline), human finish (the game still has to play). Feeds later events.

Requested Supplies and Budgeting

Built-in floor on every variant: $10 posters + $5 misc. Funding: Saitsa Clubs Grant (up to $5,000/term). Do not spend before approval. No alcohol, no gifts for members, swag capped at 50% of ordered cost. Attach quotes.

$2,000 is not enough for a true 24-hour catering program at SAIT rates. Recommended ask: $3,500 (30 fed). Term ceiling: $5,000 (40 fed, 100 on AI).

Catering — Curated Catering powered by Hotel Arts

Exclusive on-campus vendor. Order only via SECC. Everyday menu 72-hour lead; Express Drop Off 48 hours for groups ≤20. Quote: SAITevents@hotelarts.ca · 403-210-5774. Prices from the Hotel Arts Event Palette, × 18% service × 5% GST (× 1.239). Pending live quote.

Logistics, Risk & Compliance

- Room booking coordinated exclusively by the SECC — no direct booking by the club.
- Risk: medium. Indoor, no alcohol, no sport — but after-hours, fatigue, food, and laptop load.
- After-hours list to Campus Security (403-284-8530). Booked work session, not a sleepover. Quiet hours 01:00–06:00. Leave-and-return allowed.
- Food and beverages only through SAIT's approved caterer (Curated Catering / Hotel Arts), arranged via the SECC. Dietary needs on RSVP.
- A/V picked up from SECC and returned after Sunday teardown.
- PEO plus a written shift roster so a named UI or Game Dev exec is on site every hour. Two-person overnight minimum.
- Attendance list for the event report. Posters: tabloid 11×17, Saitsa Clubs logo unaltered, saitsa.com/Poster-Submission, $10 built-in. Removed within 48 hours.
- If SECC calls this a social event, grant funds must already be in the club account before the event proposal. No spend before grant approval.

Promotion Plan

- Posters on Saitsa General Poster Boards (approved submission first).
- Both clubs' Discord, Instagram, Teams, and Rubric RSVP.
- Clubs Fall Expo / Showcase (13–14 October 2026) if the jam is after it.
- Word of mouth in IT, animation, media, and engineering classes; open to all SAIT students.
