I HATE IT, BUT — · EPISODE 02 · THE TUESDAY ONE

SO USEFUL

PLAY IT
ON THE BUS

Purpose: take it out of the demo and **fold it into the week**. The email. The lab. The thing due at midnight. **Workflow, not a slideshow.**

UPCOMING TRACK LIST — No homework

01 **THE EMAIL**
The one you already rewrote four times. Keep the point. Drop the robot voice.

02 **THE LAB**
Use it on the assignment, then do the human pass before you hand it in.

03 **THE WEEK**
If it only works in a workshop, it does not count. Put it on a Tuesday.

“i hate it but it’s so useful”
