EPISODE 03 · KEEP THE VOICE

HUMAN FINISH

Purpose: **spend fewer tokens** and keep the sentence that sounds like a person. The mask of humanity is the part we do not outsource. **If it isn't you, rewrite it.**

TOKENS — SPEND LESS

VOICE — KEEP IT LOUD

01
LEAN IT
Shorter prompt. One job. Stop when the draft is good enough to edit.

02
READ IT
Out loud. If you would not say it in the hallway, it is not finished.

03
SIGN IT
Your name stays on the work. The model does not get the credit line.
