PRINT KIT · EXECS, HUMANS, CLANKERS

NAME TAGS WITH A TYPE

Execs are classified: `type = ???` and still show a club role (President, VP…). Members are first name + type only — `human` or `clanker`. No family names. Lime is exec. Pink is human member. Cyan is clanker.

Lanyard: 4 × 3 in ticket (stub) or lockup. Stickers: 3.5 × 2 in rectangles — stripe (name-forward) or spec plate (type-forward). Cut on olive crop marks. Stickers go on plain rectangle sticker paper or label stock.

HOW TO PRINT

1. Color printer. Landscape US Letter. Scale `100%` / actual size. Do not fit to page.
2. Click a name to type. First name only — no family line. Members do not get a role. Spec plates also let you edit the type.
3. Lanyard sheets print four-up. Sticker sheets print six-up.
4. Slide 4 × 3 in tags into a badge holder. Peel 3.5 × 2 in rectangles onto shirts, laptops, or water bottles.
5. Blanks are for walk-ups. Write in white gel pen or a paint marker.
