PURPOSE · BUILD PILLAR

One chessboard. One language model. The whole room plays as a single team — debate the move, vote, and hear the model explain itself. A live look at what current AI can do, and where beginners can still out-plan it.

15 MIN

## WELCOME

Welcome, sign-ups, and the rules of the vote.

90 MIN

## THE MATCH

Argue, vote, then hear the model explain its move.

15 MIN

## DEBRIEF

What it did well, where it collapsed, what's next.
